Dear Jennifer,

Friends of Dave Reichert Campaign is sending our first report on diskette as advised by the FEC website, electronic filing frequently asked questions section. The site stated that electronic filers may file the first report via certified mail if the code and password had not been received by the filing deadline. We are following the filing requirements allowed for diskette and summary pages as per the filing deadline requirements for paper filers found in the Form 3 Candidate Instruction Manual page 42.

We have attempted to upload our report but were unsuccessful due to not having the required password and upload code. Request for information had been made previously. Monday, April, 12 we received from the FEC mail containing the committee FEC# C00397737 which was mistaken for the pass code information. Our original request must be lost in the US mail, therefore we have submitted a new request via fax as of 4/15/2004 6:00 PM PST.

Thank you for your assistance in this matter.

Sincerely,

Valerie Huntsberry, Treasurer
